## **Information for sewing CPS INITIALS**

Please use the **INITIALS badges for all Sportswear**, as diagrams provided overleaf:

- All initial badges should be sewn in position beneath the School crest on every sports garment, except swimsuits and base layers.
- If there is insufficient space on the garment below the School crest, then sew initials badges on the opposite side of the garment to cover the Manufacturer's logo *if there is one* - or place on plain area of garment.

*Further Initial Badges in batches of 15 may be ordered from the School Shop, should more be required.*

**Instructions for Hanging Loops:**

- The tapes to be sewn onto all garments are for making hanging loops - to be used on Cranleigh Prep. School pupil's coat hook.
- Suggested length of tape to be 12cm, folded over, making each loop +/- 5cm.

*Black and white tape bundles are available from the School Shop, if more required.*
