

UNIFORM

Pupils in Form 1 to Form 6 are required to wear school uniform as detailed below, which can be purchased from the [School Shop](#) during a fitting appointment.

Uniform sports kit is required for all pupils.

Cranleigh expects all students to take care over their dress and appearance and to be well-presented at all times. Clothes and shoes should be clean, in good repair and worn smartly.

The School regularly reviews its uniform guidance and dress code with the pupils and consults with staff, parents and uniform suppliers as appropriate.

Don't forget to order your own child's name tapes. Instructions for ordering these can be found on the website <https://www.cranleigh.org/information/school-shop/> . Your Sportswear initial badges and black & white tape (for hanging loops) will be provided by the School Shop at your uniform fitting.
