

# HOW WE USE YOUR INFORMATION

## PRIVACY NOTICE FOR OLDER PUPILS

---

Cranleigh School  
January 2024

## Introduction

This notice is to help you understand **how** and **why** we collect your personal data and **what** we do with that information. It also explains the decisions that you can make about your personal data. If you have any questions about this notice please talk to your form tutor.

## What is "personal data"?

Personal data is information which is about you.

This includes information such as your name, date of birth and address as well as things like exam results, medical details, unique pupil number and information about how well you behave. CCTV images, photos and video recordings of you are also your personal data.

## Where we get your personal data from and who we share it with

We get your personal data from lots of different sources such as your teachers, parents, your old schools and any future school, other pupils and their parents, as well as from people outside of the School such as the Government.

Sometimes, we will also share information with these people and organisations, for example, we will tell your parents about how well you are doing at school.

Below, we give lots of examples of where we get your information from, and who we share it with.

## Why we use your personal data and our lawful bases for doing so

The School needs to use your information in order to:

1. Teach you and other pupils;
2. Look after you and other people such as other pupils;
3. Make sure that you and others are behaving properly;
4. Make sure that the School complies with the law, is well managed and that we protect the School; and
5. Advertise the School and tell people about the School and what we do here e.g. we may use photographs of you in our prospectus, on our website or in social media.

We can only use your personal data if we have a good reason to do so. This is about having a "lawful basis" to use your personal data. Our lawful bases are as follows:

- **Legitimate interests:** This means that the School is using your information where this is necessary for the School's legitimate interests or someone else's legitimate interests. Specifically, the School has a legitimate interest in educating and looking after its pupils; complying with its agreement with your parents for you to be at the School; investigating if something has gone wrong; promoting and protecting the School and making it better. Legitimate interests only apply where these legitimate interests are not overridden by your interests, rights and freedoms. Legitimate interests apply to all of the 5 purposes listed above.
- **Public task:** This allows the School to use personal data where doing so is necessary in order to perform a task in the public interest. This basis applies to purposes 1, 2, 3 and 4 above. For example, we are performing a task in the public interest when we teach and look after you.

- **Legal obligation:** The School might need to use your information in order to comply with a legal obligation, for example, to report a concern about your wellbeing to Children's Services. Occasionally we may have a legal obligation to share your personal data with third parties such as the court.
- **Vital interests:** Although this won't happen very often, we may need to use your information to protect you or someone else. For example, to prevent someone from being seriously harmed or killed.

The section below contains more information about our purposes for using your personal data and the lawful bases.

## Our purposes and lawful bases in more detail

This section gives you a lot more information about why the School uses your personal data, where we get it from and who it is shared with, and which lawful bases apply. It does not say anything different to the sections above but goes into a lot more detail.

We have used a colour code system so that you can see which lawful bases we are relying on for each of the purposes described at paragraphs 1 to 46 below.

The letters highlighted in different colours below refer to the lawful bases. **LI** means legitimate interests, **PT** means public task, **LO** means lawful obligation and **VI** means vital interests. So, if we have (**LI**, **PT**) that means we are relying on both legitimate interests and public task for that purpose.

- 1 The School's primary reason for using your personal data is to provide you and other pupils with an education (**LI**, **PT**).
- 2 The School will also use your personal data to safeguard and promote your welfare and the welfare of others (for example, so that we can look after you if you are hurt) (**LI**, **PT**, **VI**).
- 3 We use information about you during the admissions process e.g. when marking your entrance exams and learning more about you from your parents before you join the School. We may let your old school know if you have been offered a place at the School as they have a legitimate interest in finding out how what happens to their former pupils as this will help them support their other pupils when they leave the school. The admissions forms which your parents complete give us lots of personal data about you such as your name, contact details, disabilities, any particular difficulties you have with work, hobbies and interests, medical information (such as information about an allergy) and family circumstances. We get information from you, your parents, your teachers and other pupils. Your old school also gives us information about how well you did and any difficulties you had so that we can teach and care for you (**LI**, **PT**).
- 4 Sometimes we get information from your doctors and other professional where we need this to look after you (**LI**, **PT**).
- 5 We need to tell the appropriate teachers if you have a health issue (**LI**, **PT**).
- 6 We will need to tell your teachers if you have special educational needs or need extra help with some tasks (**LI**, **PT**).
- 7 We will need to share information about you (e.g. about your health and wellbeing) with the School doctor, medical staff or counsellor (**LI**, **PT**, **VI**).

- 8 If we have information that you suffer from an allergy we will use this information so that we can look after you (LI, PT, M).
- 9 If we have information that you suffer from a disability we will use information about that disability to provide support (LI, PT).
- 10 Where appropriate, the School will have information about your religious or other beliefs and practices. For example, if you do not eat certain foods (LI, PT).
- 11 We will also hold information such as your religion or ethnic group for the purposes of providing spiritual education in the context of any religious beliefs and for legal and regulatory purposes (for example child protection, diversity monitoring and health and safety) and to comply with its legal obligations and duties of care.
- 12 We use CCTV to make sure the School site is safe and sometimes to investigate incidents (e.g. where pupils have been misbehaving or someone has been injured). CCTV is not used in private areas such as changing rooms, toilets or boarding houses. For more information about our use of CCTV please see the Security, CCTV and Pupil Safety Policy which is available on the School's website. (LI, PT).
- 13 We will use your personal data to take other steps to make sure the school site and buildings are safe, for example, we keep a record of who is on the school sites at any given time (LI, PT).
- 14 We record your attendance and if you have time away from the School we record the reason(s) why (LI, PT).
- 15 We will need to share some information about you with the government (e.g. the Department for Education). We will need to tell the local authority that you attend the School, if you leave the School or let them know if we have any concerns about your welfare. The local authority may also share information with us for these reasons (LI, LO, PT).
- 16 We may need to share information about you with the Health and Safety Executive (a government organisation) if there is a health and safety issue at the School (LI, LO).
- 17 The School is a charity which means that we may need to share your information with the Charity Commission which checks how we are behaving as a charity. We may also share your information with the Fundraising Regulator if this is relevant to their work (LI, PT, LO).
- 18 The School is sometimes inspected to make sure that we are continuing to be a good school. We will have to make your information available to the inspectors to help them to carry out their job (LI, PT, LO).
- 19 We will need information about any court orders or criminal matters that relate to you. This is so that we can safeguard your welfare and wellbeing and the other pupils at the School (LI, PT).
- 20 If you are from another country we have to make sure that you have the right to study in the UK. Sometimes the government will ask us to provide information as part of our reporting requirements. In addition to this we have a duty to provide information about you to UK Visas and Immigration who are part of the government (LI, LO, PT).
- 21 Depending on where you will go when you leave us we will provide your information to other schools, colleges and universities, UCAS or potential employers. For example, we will share information about your exam results and provide references (LI, PT). If we hold safeguarding information about you, we will share that with your next school.

- 22 We may pass on information to your next school which they need to look after you, for example, information about any concerns we have had about your welfare (LI, LO, PT).
- 23 When you take public examinations (e.g. GCSEs) we will need to share information about you with examination boards. For example, if you require extra time in your exams (LI, PT). We may share your public exam results with your parents (LO, PT).
- 24 The Learning Records Service (which is part of the government) will give us your unique learning number. We may receive details about you (e.g. your qualifications) from the Learning Records Service (LI, PT).
- 25 We will provide your information to the local authority so that they can provide careers advice. We may also share your information with the provider of youth support services (LI, PT).
- 26 If someone makes a complaint about how the School has behaved we may need to use your information to deal with this appropriately. For example, if your parents complain that we have not looked after you properly (LI, PT).
- 27 The School may share information about you with the local authority for the purpose of the preparation, implementation and / or review of your Statement of Special Educational Needs or Education Health and Care Plan (LI, PT, LO).
- 28 We may use your information in connection with legal disputes (LI, PT, LO).
- 29 We may need to share information about you with the police or our legal advisers if something goes wrong or to help with an enquiry. For example, if one of your classmates is injured at School or if there is a burglary (LI, LO, PT).
- 30 We use consultants, experts and other advisors to assist the School in fulfilling its obligations and to help run the School properly. We will share your information with them if this is relevant to their work (LI, PT).
- 31 If you have misbehaved in a serious way, we may need to share information with the police and we may need to use information about the action taken by the police (LI, LO, PT).
- 32 We may share some information with our insurance company to make sure that we have the insurance cover that we need or in connection with an actual or possible claim (LI, PT).
- 33 If the School is dealing with a request for information, query, or complaint, we may sometimes need to share your information with the other people involved such as other pupils and their parents (LI, PT).
- 34 Parents who are based outside of the UK will sometimes choose someone to act on their behalf during the admissions process (an overseas agent). If this applies to you, your parents may provide information to the overseas agent so that he or she can pass this on to the School. The School will sometimes share information with the overseas agent, for example, we may send them the letter telling your parents that we are offering you a place so that they can pass this on to your parents (LI).
- 35 We will share your academic and (where fair) your behaviour records with your parents or education guardian so they can support your schooling (LI, PT).
- 36 If ever in the future, we are considering restructuring the charity which operates the School, we may share your information with the other parties involved and with the relevant professional advisors (LI).

37 In line with the school's obligations under Keeping Children Safe in Education (KCSIE), we have appropriate online monitoring and filtering systems in place. We will monitor, and filter where appropriate, your use of email, the internet and web browsing on your school mobile electronic devices, e.g. school iPads, when you are both on and off the school campus. This means our protective measures do not end when a school term does, our remote monitoring of school devices extends during school holidays ensuring a safe online environment away from School (LI, PT).

38 As part of our safeguarding duty, we also monitor and look at your use of technology on your personal mobile device(s) while connected to the School WiFi. The purpose of this is to safeguard you from inappropriate or harmful content, protect the School's network and to encourage responsible use of technology (LI, PT).

If you would like more information about our approach to online safety and monitoring, you can read the Acceptable use of IT policy, the IT Transparency Statement, or speak to your form tutor.

39 We may use photographs or videos of you for the School's website and social media sites or prospectus to show prospective pupils what we do here and to advertise the School. We may continue to use these photographs and videos after you have left the School (LI, PT).

Sometimes we use photographs and videos for teaching purposes, for example, to record a drama lesson (LI, PT).

If you have concerns about us using photographs or videos of you please speak to your form tutor.

40 We may use your personal data in order to help make the School better, for example, to raise money for the School, this includes sending you information about how you can donate to the School after you have left (LI). For more information, please see the Cranleigh Giving privacy notice. This can be found on our website [here](#).

41 We publish our public exam results, sports fixtures and other news on the website and put articles and photographs in the local news to tell people about what we have been doing (LI).

42 We will keep details of your address when you leave so we can keep you updated about what is happening at the School, to tell you about events and activities and find out how you are getting on. We may also pass your details onto the alumni organisation which is called the Old Cranleigh Society. Further information on the alumni association can be found here <https://www.ocsociety.org/> (LI). For more information about how we use your personal data after you have left the School please see the Cranleigh Giving privacy notice. This can be found on our website [here](#).

43 The School must make sure that our computer systems are working well and are secure. This may involve information about you, for example, our anti-virus software might scan files containing information about you (LI).

44 We may share your information with the other schools in the group. For example, how well you have behaved and your test results (LI, PT).

45 Sometimes we use someone from outside of the School to provide activities. For example, this could be a teacher who does not normally work for the School or it could be a company that provides outdoor activities. We may share your information with them, for example, to tell them what sports you are good at (LI, PT).

46 Some of the records the School keeps and which contain your personal data may be used by the School (or by someone else such as the government) to check that the School has been a good school (LI, PT).

- 47 As part of the school's permanent records, we may keep data such as your name, year of admission and date of leaving the school, together with any particular academic or other achievements.
- 48 We also keep some information forever for archiving purposes and for historical research purposes. This includes the School's legitimate interest in keeping a record of what the School was like in the past. For example, we keep some old photographs so that we have a record of what the School was like in the past as this helps get people interested in the School's history. Information held in our archive may be made publicly available but this would only be done in compliance with data protection laws. Please speak to your form tutor if you would like more information (LI, PT).
- 49 We will share your information with Governors of the School if it concerns something they should know about or which will enable them to fulfil their role as a School Governor. For example, this will apply if you have done something really well or if there is a problem at the School they need to know about (LI, PT).

We will only share your information with other people and organisations when we have a good reason to do so. In exceptional circumstances we may need to share it more widely than we would normally.

As you will see from the information above, in some cases we will rely on more than one lawful basis for using your information. In addition, we may move from one of the lawful bases listed above to another as circumstances change. For example, if we become really worried about your wellbeing, we may start to rely on "legal obligation" to share personal data with the local authority in addition to the other lawful bases that are noted for looking after you.

We use service providers to handle personal data on our behalf for the following purposes:

- a) IT consultants who help run the School's computer systems. For example, they might need to access a file containing personal data when investigating a fault or checking the security of our IT network;
- b) We use software, apps and websites to help us with teaching, and to help us provide pastoral support to you and your classmates. For example, we use an app which allows you to access homework which has been set by your teachers; and
- c) We use third party "cloud computing" services to store some information rather than the information being stored on hard drives located on the School site.

If you have any questions about any of the above, please speak to your form tutor.

The School has extra obligations in relation to some types of more sensitive personal data. This applies to information about racial or ethnic origin, political opinions, religious or philosophical beliefs, genetic information, biometric information, health information, information about sex life or orientation, information about criminal convictions or offences. When the School handles these types of information it will usually be doing so because:

- It is in the substantial public interest to do so, for example, to provide you with an education, to look after you and your classmates or when the School is inspected.
- For medical purposes. This includes medical treatment and the management of healthcare services.
- The School is an employer (e.g. we employ your teachers). Also, the School will use your information to comply with social protection law (e.g. to look after you) and social security laws. Social protection law is concerned with preventing, managing, and overcoming situations that adversely affect people's wellbeing.
- To protect the vital interests of any person where that person cannot give consent, for example, if they are seriously hurt and are unconscious.

- It is necessary for the establishment, exercise or defence of legal claims. For example, this allows us to share information with our legal advisors and insurers.

## Consent

We may ask for your consent to use your information in certain ways as an alternative to relying on any of the bases above. For example, we may ask for your consent before taking or using some photographs and videos if the photograph or video is more intrusive and we cannot rely on legitimate interests. If we ask for your consent to use your personal data you can take back this consent at any time.

Any use of your information before you withdraw your consent remains valid. Please speak to your form teacher if you would like to withdraw any consent that you have given.

## Sending information to other countries

When the School sends personal data outside of the UK, we have to consider if the other country has the same level of protection for personal data as there is in the UK. Some countries are considered by the UK Government to have adequate rules and this includes all of the European Economic Area and some other countries, such as, New Zealand, Argentina and Japan.

In certain circumstances, we may send your information to countries which do not have the same level of protection for personal data as there is in the UK. For example, we may store your information on cloud computer storage based in the USA.

We will provide you with details about where we are sending your personal data, whether the country has an adequacy decision and if not the safeguards which we have in place outside of this privacy notice.

If you have any questions about the safeguards that are in place please contact the Data Protection Lead.

## For how long do we keep your personal data?

We keep your information for as long as we need to in order to educate and look after you. We will keep a lot of information after you have left the School, for example, so that we can find out what happened if you make a complaint.

In some cases, we may keep your information for a longer time than usual, but we would only do so if we had a good reason and only if we are allowed to do so under data protection law.

Please see our Information & Records Retention Policy for more detailed information. This can be found on our website [here](#).

## What decisions can you make about your personal data?

Data protection legislation gives you a number of rights regarding your personal data. Your rights are as follows:

- **Correction:** if personal data the School holds about you is incorrect you can ask us to correct it.
- **Access:** you can also ask what personal data we hold about you and be provided with a copy. This is commonly known as making a subject access request. We will also give you extra information, such as why we use this information about you, where it came from and what types of people we have sent it to.

- **Deletion:** you can ask us to delete the personal data that we hold about you in certain circumstances. For example, where we no longer need the information.
- **Portability:** you can request the transfer of your personal data to you or to a third party in a format that can be read by computer in certain circumstances. This applies where (a) the personal data has been provided by you; (b) the basis that we are relying on to process your personal data is consent or contract (please see "Our lawful bases for using your personal data" above); and (c) the personal data is being processed by us on computer.
- **Restriction:** you can request that we restrict how we use your personal data.
- **Object:** you may object to us using your personal data where:
  - we are using it for direct marketing purposes (e.g. to send you the School magazine);
  - the lawful basis on which we are relying is either legitimate interests or performance of a task carried out in the public interest. Please see the section "Our lawful bases for using your personal data" above;
  - if we ever use your personal data for scientific or historical research purposes or statistical purposes.

Your form teacher can give you more information about your data protection rights.

## Further information and guidance

This notice is to explain how we look after your personal data. Your form teacher can answer any questions which you might have.

Like other organisations, we need to keep your information safe, up to date, only use it for what we said we would, destroy it when we no longer need it and, most importantly, treat the information we get fairly and lawfully.

Please speak to your form teacher if:

- you would like to exercise any of your rights listed above; or
- you would like us to update the information we hold about you; or
- you would prefer that certain information is kept confidential.

The Director of Operations is in charge of the School's data protection compliance. He can be contacted by email [pad@cranleigh.org](mailto:pad@cranleigh.org), by telephone on 01483 542138 or by post at Cranleigh School, Horseshoe Lane, Cranleigh, Surrey GU6 8QQ.

You can ask your form teacher to speak to the Data Protection Lead or contact the Data Protection Lead yourself at [dataprotectionlead@cranleigh.org](mailto:dataprotectionlead@cranleigh.org). Alternatively, you can ask your parents to speak to us on your behalf if you prefer.

If we ask you to tell us something and you do not do so then this may make it more difficult for us to teach and look after you and others.

## Complaints and the Information Commissioner's Office

You have a right to lodge a complaint with a data protection supervisory authority. The supervisory authority in the UK is the Information Commissioner's Office ([www.ico.org.uk](http://www.ico.org.uk)). If you do have any concerns about how we have handled your personal data we would kindly ask that you contact us in the first instance before you speak to the ICO so that we have an opportunity to put things right.

## Last updated

We may need to update this privacy notice periodically so we recommend that you revisit this information from time to time. This version was last updated in January 2024.
