

ANTI-BULLYING POLICY

Our aim as a school is to provide all pupils with a safe and positive environment that promotes happiness, success and, more importantly, allows all pupils to be who they are.

Be kind and tolerant to one another. Be **thoughtful** in your actions and words and be **empathetic**; treat everyone as you would like to be treated yourself.

Speak out if someone is repeatedly making you feel unhappy or hurting you.

Don't be a bystander. If you know that someone else is being made unhappy by the actions or words of others; do something about it.

If either of the above are happening tell a member of the Common Room or place a note in the 'Let Me Know' box.

If you are a boarder remember you can talk to your House Master/ Mistress if someone is being unkind with their words or actions in the boarding house. You also have access to the school's independent listener, Mr Thomas Hall who you can speak to (01483 273696).

As a school we also have a School Counsellor and Mentor Team. Please talk to Mrs Lewis if you feel you that this support would help.

Above all don't forget you can speak to ANY of the adults in the school with whom you feel you have a strong and trusting relationship, if you do not feel you want to go to your Form Tutor or a member of the Pastoral Team.
